WELCOME NOTE

Senior and accomplished Professional with over 22 years of relevant experience in IT industry in the areas of Facilities Management, Corporate Real Estate Services (CREs), Interiors Projects Management and Procurements Management.

Specialized in establishing facility operations and delivering full life cycle interior projects from design to delivery. Domain expertise in building and managing large scale facilities for multinational companies.

Graduate in Commerce and certified in Management program as part of MBA. In a career span of over two decades, associated with companies including Albridge Advisory Inc (US based MNC), LG soft India (Korean MNC), Raffles software, BFL software Ltd (Now Emphasis) and NIIT Ltd.

Co-founder of Facilities Management Zone (FM Zone) India which pioneered networking forum for Facility Managers across India in 2004. Instrumental in organizing events, Annual Summits and for the first time, FM Zone Excellence Awards were instituted based on the third party evaluation of awards process.

Highly motivated and passionate in promoting this networking forum to enable the fraternity members to become effective Leaders and excel in their function and profession.
